

To All Members of the Academy of Financial Divorce Specialists!

We are happy to announce that a *new Member Benefit* is available.
This benefit is available to those who:

- have achieved the Chartered Financial Divorce Specialist (CFDS) designation
- are a member in good standing with the Academy
- conduct their business through a corporate entity

The benefit is provided by Medallion Health, a private health spending plan service - created and managed by industry-leading accountants and financial advisors.

Medallion Health enables business owners to access corporate funds to cover a wide range of health and emergency services tax free, saving hundreds to thousands of dollars in taxes. Additionally, Academy Members/CFDS designation holders benefit from having discount pricing and preferred support.

	Plan Opening	Processing Fee
Regular Pricing	one-time fee of \$375.00 plus 5% GST	maximum 10% per claim
Member Pricing	one-time fee of \$200.00 plus 5% GST	maximum 8% per claim
MORE!	Academy Members/CFDS designation holders can refer their clients to Medallion Health and earn up to \$150 per referral.	
MORE!	Academy Members/CFDS designation holders can introduce this service to your corporate business clients as well as other professionals for their corporate clients – like lawyers, accountants and health care professionals – and create a unique referral generation system to help grow your business.	

The list of eligible health and wellness expenses is extensive, and includes dental, prescriptions, optical, and chiropractic, as well as medical emergencies.

To learn more about this valuable service, and how you can benefit, please see:
